Enterprise Change Management Survey - Managing Changes at MSMEs

The Economic Policy Research & Development (EPR&D) Committee and MSME Expert Committee of Bombay Chamber of Commerce & Industry have taken the initiative of conducting a quick survey related to perceived business challenges over the next twelve months among MSME members.

The survey result highlights some challenges of doing business in India involving industrial development generally and development of MSMEs in particular. The same provides inputs for regulatory review.

The survey consists of two parts. The first part includes issues related to the EMERGENCY CREDIT LINE GUARANTEE SCHEME (ECLGS) and the AVAILABILITY OF TECHNOLOGY, ACCESS TO FINANCE and AVAILABILITY OF HUMAN RESOURCES. The second part captures some relevant information and concludes the survey findings.
