Competency Assessor Certification for Assessment & Development Centers

Register for our **Exclusive CAC Program**
to be a certified competency assessor

**Program
Dates**

5TH AUGUST - 5TH OCTOBER 2024

**Workshop
Location**

Virtual (Zoom) / In-person (Mumbai)

Assessment & Development Centers (AC/DC) are integral for both companies and individuals. Most of the Fortune 500 companies use AC/DC for identifying high potential talent within their organisation. For organizations, these centres serve as robust tools for identifying and evaluating talent, facilitating succession planning, and enhancing overall workforce skills.

Great assessors are the pillars of successful Assessment & Development centres.

After undergoing this program you can be an internal assessor for your organisation or start your journey as an external assessor.

The Competency Assessor certification for Assessment & Development Centers (CAC) is an exclusive certification program for professionals who want to learn & sharpen their skills in behavioural assessments.

This program is meticulously designed to help create high-quality assessors through practical skill-building guided by our expert-led training team.

Join us to become a skilled assessor who can navigate the complexities of competency evaluation with confidence and precision.

WHO CAN ATTEND THIS WORKSHOP?

The CAC certification is open for:

-  **HR Professionals** involved in Recruitment and Selection, Learning and Development, Career Development.
-  **Consultants** with a focus on human capital, talent strategy, and organizational effectiveness.
-  **Psychologists** who are keen on having an understanding of human behaviour in the workplace.
-  **Training and Development Professionals** involved in designing and delivering training programs for employee development initiatives.

WHAT WILL YOU LEARN?

Assessment Competence:

Develop a deep understanding of assessment methodologies, tools, and techniques used in development centres

Ethical Standards:

Understand and adhere to ethical guidelines and standards while assessing individuals' performance and potential

Unconscious Bias Mitigation:

Identify and mitigate unconscious biases that may influence assessment decisions, to ensure fairness and objectivity

Evaluation Skills: Learn how to objectively assess various competencies, behaviours, and potential of individuals undergoing developmental evaluations

Feedback Proficiency:

Acquire skills to provide constructive and meaningful feedback to candidates, aiding in their personal and professional growth

Practical Tool-kit:

Elevate your assessment skills with our exclusive Assessor Toolkit, providing essential resources and tools for effective evaluation

Get complete competency assessor toolkit which includes:

- 5 Benchmarked behavioral & leadership competency maps
- 10 Ready to use role plays
- 5 Ready to use case studies
- 3 Ready to use Competency based interview formats
- 2 Ready to use in-basket exercises mapped to competencies
- 2 Ready to use situation judgement tests
- 2 Observation formats
- 5 Competency report formats
- 4 IDP formats

HOW WILL YOU BUILD RIGOUR IN YOUR ASSESSMENT SKILLS?

Hands-on Practice: Engage in practical, real-world scenarios through simulated development centres to apply assessment methodologies and tools.

Expert-Led Training: Learn from seasoned professionals in the field, gaining insights from their experiences and expertise in assessment and development.

Assessment Tool Proficiency: Gain proficiency in utilising various assessment tools such as role-plays, simulations, and competency-based interviews.

Feedback and Coaching Workshops: Workshops focused on delivering constructive feedback and coaching strategies to aid participants' growth.

Report Writing Skills: Develop comprehensive report-writing skills to document assessment outcomes accurately and professionally.

Interactive Learning Formats: Experience a variety of learning formats including lectures, case studies, group discussions, role-plays, and peer-to-peer assessments.

Certification: Get a certificate which validates your comprehension and application of assessment techniques.

Networking Opportunities: Connect with peers and professionals in the field, fostering a network for ongoing learning and collaboration.

Continued Support: Access to resources, updates, and communities post-certification to stay current with evolving assessment methodologies and best practices.

Access professional assessment opportunities: Connect with roles allowing you to apply your skills, gain valuable experience, and earn compensation while contributing to individuals' development and expanding your expertise.

The CAC program has been designed to equip you with the four top skills for assessors: observation, assessment, inference, and feedback.

As a skilled assessor, this program will enable you to become:

- An internal assessor:** Help your company identify the right talent.
- An external assessor:** Chart a professional journey as an external assessor and help other organisations identify talent.

Take up freelance assignments or get empaneled with big consulting firms.

PROGRAM DETAILS

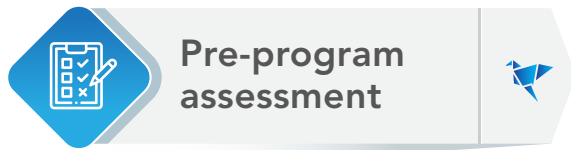

Blended-learning Approach

We embrace a blended learning approach, seamlessly integrating online modules with interactive workshops to cater to diverse learning styles.

Experience the best of both worlds as you engage in self-paced online learning complemented by hands-on, instructor-led sessions, ensuring a comprehensive and effective learning experience.

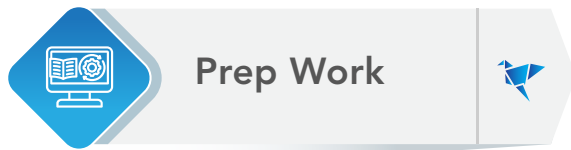

PROGRAM CONTOURS
