### India aims to become leading aviation hub with \$4 Billion MRO Industry by 2030

Union Civil Aviation Minister, Shri Kinjrapu Rammohan Naidu has announced the implementation of a uniform IGST rate of 5% on all aircraft and aircraft engine parts, effective from 15th July 2024. This decision marks a significant milestone for the domestic Maintenance, Repair, and Overhaul (MRO) industry, aimed at making India a global aviation hub. Commenting on this development, Shri Naidu, said, "The introduction of a uniform 5% IGST rate on MRO items is a major boost for the aviation sector. Previously, the varying GST rates of 5%, 12%, 18%, and 28% on aircraft components created challenges, including an inverted duty structure and GST accumulation in MRO accounts. This new policy eliminates these disparities, simplifies the tax structure, and fosters growth in the MRO sector."

### Indian economy in a strong wicket: Economic Survey of India 2023-24

Union Finance Minister Nirmala Sitharaman presented the Economic Survey of India 2023-24, accompanied by a statistical appendix, in both Houses of Parliament. The survey indicates a bright outlook for India's financial sector but highlights the need to prepare for potential vulnerabilities. The Indian financial sector is at a "turnpike moment," with a decreasing reliance on banking for credit and an increasing role of capital markets. The Union Budget for 2024-25 will be presented by Sitharaman in the Lok Sabha on July 23, marking the first budget of the Modi Government since the NDA's third consecutive term victory.
