20 trade policy direction becoming more restrictive amid continued slow trade growth

Trade measures introduced by G20 economies have become more restrictive in recent months, according to the 30th WTO Trade Monitoring Report on G20 trade measures issued recently. The report shows that between mid-May and mid-October 2023, G20 economies introduced more trade-restrictive than trade-facilitating measures on goods, although the value of traded merchandise covered by facilitating measures continued to exceed that covered by restrictions. Director-General Ngozi Okonjo-Iweala called on the G20 to show leadership and contribute to economic stability and growth by unwinding recent and longstanding restrictions on trade.

MeitY issues advisory to all intermediaries to comply with existing IT rules

Ministry of Electronics and Information Technology (MeitY) has issued an advisory to all intermediaries, ensuring compliance with the existing IT rules. The directive specifically targets the growing concerns around misinformation powered by AI – Deepfakes. The advisory mandates that intermediaries communicate prohibited content, particularly those specified under Rule 3(1) (b) of the IT Rules, clearly and precisely to users. This advisory is the culmination of the discussions held by Union Minister of State for Skill Development & Entrepreneurship, Electronics & IT and Jal Shakti, Shri Rajeev Chandrasekhar during Digital India dialogues with intermediaries within one month.
