SM REITs: Ownership to Opportunity Focuses on Fostering Economic Growth & Investor Confidence

India's real estate sector is undergoing a revolutionary transformation driven by proactive regulatory reforms. These changes are enhancing accessibility, transparency, and stability for investors. Landmark initiatives include the RERA Act of 2016, which boosts developer responsibility, and the introduction of GST, which streamlines taxation. The advent of Real Estate Investment Trusts (REITs) regulations in 2014 has also established a new asset class, with the first Indian REIT listed in 2019, offering retail investors a gateway into institutional real estate.

Bombay Chamber's DEI Awards 2024 Celebrates Diversity Across the Spectrum

Diversity, Equity, and Inclusion (DEI) are crucial to company culture as they foster creativity, innovation, and new perspectives. Harnessing the power of DEI requires a systematic, concerted and collaborative industry effort, to open the conversation on solutions towards closing inclusion gaps in the country. The Bombay Chamber DEI Awards 2024 celebrated organisations that have innovatively made DEI part of their corporate DNA.

Governance Conclave Highlights Way Forward for Ensuring Effective Governance

The Governance Conclave on 'Enhancing Governance Assurance,' organised by the Bombay Chamber, focused on the integration of a robust governance framework, a strong risk culture, clear strategic objectives, and reliable internal controls to ensure the growth of businesses. The Conclave was supported by Ernst & Young LLP, Khaitan & Co., Aditya Birla Capital, Excel Industries, Colgate and Tata Chemicals.

Insurance Summit 2024 Points a Lens on Insurance for All by 2047

India's insurance market, valued at USD 131 billion, is currently the 10th largest in the world, contributing to 1.9% of global premiums. Over the past two decades, private sector involvement, enhanced distribution, and operational efficiency have driven significant growth. Projections indicate that by 2032, India will become the sixth-largest insurance market. Despite being a developing market, India has the potential, particularly in non-life insurance, to surpass global competitors. Factors such as a young population, rising incomes, robust economic growth, digital technology, and regulatory measures are propelling this growth trajectory. The Insurance Regulatory and Development Authority of India (IRDAI) is pushing this agenda through its vision of "Insurance for All" by 2047, which aims to increase penetration, ease business operations, and attract investments.
