India's AI Revolution: iCreate, Microsoft & MeitY Join Forces

International Centre for Entrepreneurship and Technology (iCreate), Microsoft signed an Memorandum of Understanding (MoU) facilitated by the Ministry of Electronics & IT to boost AI startups in India. This MoU is in line with the vision set forth by Prime Minister Shri Narendra Modi during his meeting with Microsoft Chairman and CEO Satya Nadella last year. Union Minister of State for Skill Development and Entrepreneurship, Electronics and Information Technology, and Jal Shakti, Shri Rajeev Chandrasekhar presided over signing of the MoU and he said that this partnership will support and transform AI startups not just in big cities but also in smaller towns and villages.

GeM Procurement Surges 176% in FY24, Reaching ₹1.82 Lakh Crore

Procurement of services through Government e-Marketplace (GeM) has grown significantly, from nearly ₹8,500 crore in FY21 to nearly ₹66,000 crore in FY23 to nearly ₹1,82,000 crore in FY24 (as on February 22, 2024) – a significant increase of nearly 176% from last fiscal year. Total value of procurement of services exceeding the total value of products procurement in a Financial Year is an important milestone which indicates the faster acceptability of services by various buyers. In February 2024, services procurement has been phenomenal, contributing to nearly 80% of the total order value transacted on GeM. The share of procurement of services in overall procurement has exceeded the 50% mark in the current financial year. Two bids placed by South Eastern Coalfield Limited, a subsidiary of COAL India Limited, worth nearly ₹40,000 crore, have catapulted the share of service procurement in this month.
