Sustainability Conclave: Green Growth for a Viksit Bharat

As India moves toward its vision of Viksit Bharat by 2047, Green Growth has become essential to achieving sustainable and inclusive development. It promotes economic progress while safeguarding the environment, emphasising clean energy, resource efficiency, and innovation. Green growth not only addresses climate change but also fosters job creation, sustainable industries, and resilient ecosystems. By embracing this approach, India can ensure that its journey toward becoming a developed nation is both environmentally responsible and future-ready.

Keeping this context in mind, Bombay Chamber, under the aegis of its Sustainability Committee, organised its Annual Sustainability Conclave themed Green Growth for a Viksit Bharat on December 13th, 2024, at the St. Regis Hotel, Mumbai. Over 85 delegates attended the Sustainability Conclave, including a dynamic lineup of Directors, CXOs, CSOs, Managing Directors, and CEOs, making it a power-packed gathering of industry leaders.
