Maharashtra to transform farming with Rs 300 crore 'Clean Plant' projects guaranteeing disease-free crops

Mumbai: Maharashtra is set to witness a significant advancement in its horticulture sector with the launch of the Central Government's 'Clean Plant' programme, an initiative designed to ensure disease-free cultivation and enhance agricultural productivity. "In all 9 'Clean Plant' projects will be started across the country, out of which three projects will be set up in Maharashtra," said Union Minister for Agriculture and Farmers Welfare, Shri Shivraj Singh Chouhan. He also reaffirmed the Government's commitment to strengthening India's agricultural foundations and ensuring its global competitiveness.
