Ref No: MOBE/Q3/2025-26/OIB1

Please refer to the above bid.

2. Following the Pre-Proposal Meeting held on Friday 15 August 2025 at 13 00 hours, please find clarifications regarding queries made by Potential Service Providers present on that day:

SN	Clarifications	Replies
(i)	Whether there has been any update regarding the Marine Spatial Plan for the Exclusive Economic Zone of Mauritius?	<p>Phase 1 of the task would entail the conducting of a situational analysis, which would include the revision of all existing documents:</p> <ul style="list-style-type: none"> • Ocean Economy Roadmap of 2013 • World Bank Report • Marine Spatial Plan <p>Consultants would be required to gather updated information regarding mainly the six key cross cutting sectors of the blue economy.</p> <p>The exercise would warrant engagement with all stakeholders to take cognizance of their policies and activities.</p>

		<p>The outcomes of the above exercise would be used as a baseline to develop the blue economy and to identify sector(s) which could be developed.</p> <p>This Ministry is committed to develop the blue economy sector and will extend its full support in this endeavour.</p>
(ii)	<p>Whether the following documents could be shared?</p> <ul style="list-style-type: none"> • Ocean Economy Roadmap of 2013 • World Bank Report 	<p>These documents are in the public domain on the web.</p>
(iii)	<p>Whether the Marine Spatial Plan could be shared?</p>	<p>These are sensitive documents which cannot be shared at this stage.</p> <p>It was proposed that once the Consultant would be hired and Government approval obtained, this Ministry would be in a better position to formally request for any document that could facilitate the consultancy exercise.</p>
(iv)	<p>As per the Scope of Service, workshops would have to be organised.</p> <p>Whether costs for organising the workshops would have to be met by the Consultant?</p>	<p>All costs regarding the organisation of workshops would be borne by this Ministry.</p>
(v)	<p>Whether extension would be granted in case the task could not be completed within the contract period of 6 months?</p>	<p>Yes.</p> <p>Please refer to page 59 of the bidding document whereby the following has been mentioned:</p>

		<i>'Duration: 6 months (with potential for extension if required) from the date of contract signing.'</i>
(vi)	Whether, regarding the financial proposals, the Forms ' <i>FIN-4: Breakdown of Remuneration1 (Lump-Sum)</i> ' and ' <i>FIN-5: Breakdown of Reimbursable Expenses (Lump-Sum)</i> ' should be filled in?	Yes. A detailed breakdown should be provided to reflect the lump-sum amount.
(vii)	What would be the level of engagement of the Mauritius Institute of Biotechnology in the development of the blue economy?	At this stage, it is difficult to predict which institution/department would be engaged in the blue economy development. It is the findings of the consultancy work that would indicate which sectors of the blue economy would have to be developed. Thus, biotechnology may form part of the clusters of development.
(viii)	Whether the bid is opened to: <ul style="list-style-type: none"> • an individual; • a consultancy form; or • a pool of experts making a consortium 	Yes. Kindly refer to page 14 of the bidding document which stipulates that: <i>'Consultants may associate with each other in the form of a joint venture or of a sub-consultancy agreement to complement their respective areas of expertise, strengthen the technical responsiveness of their proposals and make available bigger pools of experts, provide better approaches and methodologies.'</i>
(ix)	Whether bidders should quote in foreign currency or in Mauritian Rupees?	As per the table ' <i>Form FIN-2: Summary of Costs</i> ' at page 47 of the bidding document, service providers should quote in both Mauritian

		<p>Rupees and in the currency of their respective country.</p> <p>At the time of evaluation, quotes received in foreign currencies would be converted into Mauritian Rupees, based on the Bank of Mauritius prevailing exchange rates as at closing date.</p>
(x)	Whether training/capacity building would have to be provided to staff?	<p>Yes.</p> <p>Paragraph 3.4 (g) at page 26 of the bidding document provides that:</p> <p><i>'Training and Capacity building to Officers of the Blue Economy Unit and any other relevant stakeholders.'</i></p>

(xiii)	Is there an expected budget for the assignment	<p>The method of selection for this assignment will be the Least cost and Acceptable Quality based Selection – refer to Page 25, Para 1.1 of the bidding document – Instructions to consultant – Data Sheet.</p> <p>The available budget for this method of selection is not disclosed.</p>
