12th Biennial International Conference on Ports, Shipping & Logistics

Sustainable Logistics for Viksit Bharat

25th February 2025, 9.30 am to 8.00 pm, St. Regis Hotel, Mumbai.

Proposed Theme: Global Harit Nauka Summit: Trust, Collaborate, Impact

Proposed Date for the Conference: February 24, 2026

Proposed Venue: Five star Hotel Banquet room

Context:

India's maritime sector stands at a critical juncture, with the shipbuilding industry poised to become a major pillar in realizing the national vision of Aatmanirbhar Bharat and Maritime India Vision 2030. The global demand for greener, smarter, and more resilient ships is growing rapidly, compelling nations to modernize their shipbuilding ecosystems. At the same time, India's expansive coastline, strategic geopolitical location, skilled workforce, and government-backed incentives present a significant opportunity to emerge as a global hub for shipbuilding, repair, and allied services.

Objectives:

The Shipbuilding Conference aims to bring together key stakeholders to explore strategies for strengthening India's shipbuilding capabilities, fostering technological advancements, enabling sustainable practices, and aligning with the International Maritime Organization's (IMO) decarbonization goals. The forum will also highlight international best practices, investment opportunities, skill development, and policy interventions needed to accelerate India's transformation into a globally competitive shipbuilding nation.

Proposed Areas:

- Finance
- State Maritime Clusters
- Supply chain ecosystem
- Ease of doing business
- Geopolitical perspective of shipbuilding
- Skill Development & Employment generation

Participants Profile:

- Senior Officials from Ministry of Ports, Shipping and Waterways; Ministry of Commerce
- CMDs/CEOs of Shipyards and Shipping Companies
- Maritime Technology Innovators and R&D Experts
- Classification Societies and Regulatory Bodies
- Port and Terminal Operators
- Consulate, International Agencies and Knowledge Partners
- Financial Institutions and ESG Investors
- Academic and Training Institutions
