Dear Industry Colleague,

Greeting from Bombay Chamber of commerce and Industry

We are pleased to invite you to attend the **REITs & Asset Tokenisation Conclave 2026: Blocks to Billions – Advancing India's Real Estate Future to be held on 13th March, 2026, from 3:45 PM onwards at Four Seasons Hotel, Worli, Mumbai**. The Conclave will provide an opportunity to gain insights from leading experts and engage with a diverse audience including representatives from financial institutions, banks, NBFCs, MSMEs, entrepreneurs, investors, researchers, and academia.

India's real estate investment landscape is undergoing a significant transformation, driven by the evolution of REITs, the rise of fractional ownership platforms, and the growing global momentum around real-world asset tokenisation. These developments are expanding investor participation, enhancing market efficiency, and bringing renewed focus on regulatory frameworks, governance standards, and investor protection. In this context, the Conclave aims to bring together regulators, industry leaders, and market participants to deliberate on the future trajectory of REITs, digital distribution, and tokenised real estate within India's capital market ecosystem.
