From Blocks to Billions: REITs & Asset Tokenisation Conclave 2026 Charts the Future of Real Estate Investing in India

March 13, 2026; The REITs & Asset Tokenisation Conclave 2026: Blocks to Billions – Advancing India’s Real Estate Future, organised by the Bombay Chamber of Commerce & Industry, brought together regulators, legal experts, real estate professionals, investors, and technology innovators to discuss how digitalisation, tokenisation, and regulatory reforms are reshaping India’s real estate investment ecosystem. The conclave examined the growing role of Real Estate Investment Trusts (REITs), fractional ownership, and blockchain-enabled tokenisation in unlocking liquidity and expanding investor participation in real estate markets. In his Welcome Address, Sandeep Khosla, Director General, Bombay Chamber of Commerce & Industry, emphasised the Chamber’s role as a platform for constructive dialogue between industry stakeholders and policymakers. He highlighted that as real estate evolves through digital transformation and financial innovation, forums such as this provide an important opportunity to examine regulatory developments, emerging investment structures, and the broader implications of technology-driven financial markets.
