India Achieves Landmark 300 GW Non-Fossil Fuel Power Capacity

In a major milestone for the nation's clean energy transition and climate action targets, India has crossed 300 GW of non-fossil fuel-based installed electricity generation capacity as on 31st July, 2026; over 60% of the 500 GW capacity targeted to be achieved by 2030.

Breakdown of Non-Fossil Fuel Capacity (as on 31.07.2026):

Solar Power: 164.59 GW; **Wind Power:** 58.14 GW; **Hydro Power (Large & Small):** 57.24 GW;

Bio-power: 11.75 GW; **Nuclear Power:** 8.78 GW; **Total Non-Fossil Capacity: 300.50 GW**

Bombay Chamber Hosts India-Sri Lanka Trade & Investment Dialogue, Highlights New Growth Opportunities

Mumbai, August 10, 2026: The Bombay Chamber of Commerce and Industry, in association with the Consulate General of Sri Lanka in Mumbai and the Sri Lanka Export Development Board (EDB), hosted the Sri Lanka-India Trade & Investment Promotion Event in Mumbai today, bringing together senior Sri Lankan officials, exporters, industry representatives and Indian business leaders to explore new opportunities for trade, investment, sourcing and business partnerships.

The event reaffirmed the strong economic relationship between the two neighbouring countries, with discussions focusing on emerging opportunities across manufacturing, technology, services, food processing, green technology and the gem and jewellery sector.

APEDA and Government of Tripura Organise International Organic Buyer-Seller Meet to Expand Global Market Linkages

The Agricultural and Processed Food Products Export Development Authority (APEDA), under the Ministry of Commerce & Industry, Government of India, in collaboration with the Tripura State Organic Farming Development Agency (TSOFDA) and the Department of Agriculture and Farmers Welfare, Government of Tripura, organised an International Organic Buyer-Seller Meet in Agartala, Tripura, to provide a direct platform for the state's organic producers, Farmer Producer Organisations (FPOs), exporters and international buyers to explore new business opportunities and establish long-term market linkages.

Around 200 participants participated in the programme, including more than 20 international buyers from countries such as Australia, New Zealand, Germany, Italy, Greece and Argentina, 27 exporters, 96 farmers representing 22 FPOs/FPCs, and officials from various Government departments. The diverse participation provided a platform for direct interaction among farmers, producer organisations, exporters, Government stakeholders and international buyers, facilitating discussions on sourcing opportunities, market requirements and potential business linkages.
