Union Minister of Commerce and Industry Shri Piyush Goyal Chairs India-Japan Industry Roundtable on Semiconductors and Artificial Intelligence in Tokyo

Union Minister of Commerce and Industry, Shri Piyush Goyal, chaired a roundtable with leading Japanese and Indian industry representatives on Semiconductors and Artificial Intelligence (AI) in Tokyo, underlining the growing importance of these sunrise sectors in strengthening India-Japan economic and technological cooperation. Shri Goyal highlighted that Semiconductors and AI are emerging as key areas of cooperation and constitute an important pillar of the economic security partnership envisaged by Prime Minister Shri Narendra Modi and Prime Minister Sanae Takaichi during the Annual Summit. He assured the participating industry representatives of the Government of India's wholehearted support in deepening and expanding collaboration between India and Japan in these strategic sectors.

India-Japan Investment Partnership Gains Momentum; Commerce and Industry Minister Shri Piyush Goyal Invites Greater Japanese Institutional Capital

Union Minister of Commerce and Industry, Shri Piyush Goyal, held discussions in Tokyo with senior leaders of leading Japanese financial and investment institutions on strengthening long-term capital flows, deepening investment partnerships and expanding Japanese participation in India's growth story. The meeting brought together senior representatives of MUFG, Development Bank of Japan (DBJ), Mizuho, Morgan Stanley, Nomura and Nippon Life. The discussions focused on India's economic outlook, emerging investment opportunities and measures to further facilitate Japanese institutional investment in India.

Indian Community in Japan Playing Key Role in Strengthening India-Japan Ties: Commerce and Industry Minister Shri Piyush Goyal

Union Minister of Commerce and Industry Shri Piyush Goyal addressed the Indian community in Tokyo, Japan, and appreciated the contribution of the Indian diaspora in strengthening India-Japan ties. He described the nearly 60,000-strong Indian community in Japan as "Brand Ambassadors of India", noting that their conduct, professionalism and contribution across different fields serve as an important introduction to India among the Japanese people.

Shri Goyal said that the energy, enthusiasm and confidence witnessed during his visit to Japan reflected the growing strength of India-Japan relations. He expressed gratitude to the Indian community for "opening the doors of Japan" for India and for building goodwill through their work and engagement with Japanese society. He noted that more than 200 representatives from Indian industry and business were part of the delegation accompanying him during his visit to Japan. Describing it as the largest business delegation he had led to Japan, he said the strong participation reflected substantial interest on both sides in expanding business-to-business engagement and investment opportunities.
