Banking Conclave 4.0 Explores How AI, Trust and Resilience Will Shape the Next Decade of Banking

The Bombay Chamber of Commerce & Industry organised Banking Conclave 4.0: The Next Decade of Banking – AI, Trust and Transformation on October 9, 2026, bringing together senior banking leaders and financial services experts to deliberate on how artificial intelligence (AI), digital transformation and evolving customer expectations are reshaping the banking industry. The conclave focused on the opportunities and responsibilities accompanying the growing adoption of AI in banking, the importance of strengthening customer experience, and the need to build a resilient financial ecosystem that balances innovation with trust, sound governance and effective risk management.

MSME Conclave 5.0 Highlights Strategic Value Chains, AI Adoption, Global Trade Opportunities and Access to Capital for Viksit Bharat 2047

The Bombay Chamber organised MSME Conclave 5.0 on the theme “MSMEs at the Forefront of Viksit Bharat 2047” on October 9, 2026, bringing together industry leaders, technology experts, financial sector representatives and international trade stakeholders to deliberate on strengthening India’s micro, small and medium enterprises (MSMEs). The conclave focused on strengthening MSME participation in strategic value chains, harnessing Artificial Intelligence (AI), unlocking international trade opportunities and improving access to finance. The discussions highlighted the need to build competitive, technology-enabled and financially resilient enterprises to support India’s long-term growth ambitions.

Union Minister of Commerce and Industry Shri Piyush Goyal Calls on Youth to Drive India’s AI Journey

Union Minister of Commerce and Industry Shri Piyush Goyal called upon young Indians to embrace emerging technologies, continuously upgrade their skills and contribute to India’s journey towards becoming a developed nation by 2047. Addressing the inauguration of the SRCC Centenary Conclave on “Pathways to Viksit Bharat”, he emphasised that investments in manufacturing, technology adoption and skill development would create opportunities for India’s youth and strengthen the country’s position in the global economy.
